

## **Geothermal Energy: CFTI Key Successes in the 117<sup>th</sup> Congress**

Key recommendations the Carbon Free Technology Initiative advocated for and received:

- \$21 million for each FY21-25 for Advanced Geothermal Energy Development
- \$75 million for enhanced geothermal system (EGS) demonstration and next-generation geothermal demonstrations.
- \$84 million additional funding to carry out EGS demonstration program.
- \$109 million for the Geothermal Technology Office.
- \$25 million dedicated to super-hot rock geothermal.
- Geothermal included in Clean Energy Production and Investment tax credit.
- Thermal energy included in Renewable Energy definition.
